SKILLS

Programming: Java

Frontend: React, HTML, CSS

Backend: Spring Boot

Database: MySQL

Core Concepts: Object-Oriented Programming (OOPs)

PROJECTS

SPD Sports Portal | *Java Full Stack*

1 Month

- Developed a full-stack sports academy management portal using **Java, Spring Boot, React, and MySQL**.
- Implemented secure login, role-based dashboards for Admin, Coach, Student, and Parent.
- Built attendance tracking, performance management, and student record modules.
- Deployed the application at **spdsportsportal.in**.

Pakka Wash Website | *Frontend*

2 Weeks

- Designed and developed a responsive car wash service website using **HTML, CSS, and JavaScript**.
- Optimized UI for mobile devices and improved user experience.
- Published the project through GitHub Pages.

Style Craft Studio Website | *Frontend*

3 Days

- Built a responsive salon business website with modern UI and service showcase.
- Integrated contact information and optimized layouts for multiple screen sizes.

Skip Not AI | *Python, AI*

Currently Working

- Developing an AI-powered assistant platform using modern AI workflows and Python.
- Working on automation, chatbot features, and AI-driven business solutions.

EXPERIENCE

Tap Academy

6 Months

Java Full Stack Developer Intern

- Developed full-stack applications using **Java, Spring Boot, React, and MySQL**.
- Worked on REST APIs, database integration, debugging, and responsive UI development.
- Collaborated on real-world projects following software development best practices.

SkipNotAD Studios

1 Year

AI Assist Developer

- Designed AI-powered solutions for business automation and client workflows.
- Built websites, AI assistants, and digital products for multiple clients.
- Integrated AI tools to improve productivity and customer engagement.

ACHIEVEMENTS

- Successfully deployed multiple live client websites and full-stack applications.
- Built and launched the **SPD Sports Portal** as a production-ready SaaS solution.
- Continuously developing AI-powered products under **SkipNotAD Studios**.

EDUCATION

RRASE College of Engineering

Chennai, India

B.E. in Mechanical Engineering CGPA: 7.0

2023 – 2026
